ABOUT GETS THEOLOGICAL SEMINARY

VISION

To cultivate ministers and theological educators for global Chinese churches.

MISSION

Through the promotion of theological education, GETS cultivates for God's kingdom

1. Church leaders who are after God's own heart to serve in the church effectively, and to lead the congregations with biblical responses to the challenges of the times,
2. Theological educators who can root the Christian faith in their culture to enable the lives in Chinese community to flourish.

GOALS

Through the holistic development of spirituality, knowledge, lifestyle, and servanthood, GETS cultivates servants of God who are prayer-centered, Holy Spirit-guided, mission-oriented, and vigor-filled and are thriving with the qualities of upright faith, dynamic thinking, open-mindedness, and kingdom commitment. In addition, they will embody excellence, integrity, gentleness, humility, and love.

CORE VALUES

1. Loyalty and Commitment
2. Wisdom and Excellence
3. Gentleness and Integrity
4. Love and Humility

STRATEGIES

1. Apply both centripetal and centrifugal principles around the world to
 - (a) Set up international campuses by sending teachers and resources to meet local needs creatively
 - (b) Establish a US campus in Los Angeles as a model of theological education for international campuses, and a research center for advanced graduate studies
2. Offer various degree programs and distance learning options to meet the various needs of the church
3. Partner with churches and Christian organizations to enlarge the impact of GETS theological education
4. Enrich the theological content and enhance the quality of our theological education through seminars, dialogues, and publications that attend to and engage in topics of the times and the culture
5. Offer courses pertaining to Chinese culture and current issues with a focus on Chinese contexts

STATEMENT OF FAITH

THIS WE BELIEVE:

1. The Bible, containing the Old and New Testaments, is the inspired and infallible Word of God, the necessary and complete revelation of His Will for the salvation of humankind, and is the ultimate authority for Christian faith and life.
2. There is one true and living God, eternally existing in three distinct persons: Father, Son, and Holy Spirit.
3. The triune God is the Creator, the Sustainer and Ruler of the creation, but is prior to, and distinct from all creation.
4. The first man, Adam, was created by God in His image, but fell from his original state by sinning against God, and hence incurred upon himself and all his posterity the guilt of sin, condemnation, and death; therefore, all humans are in need of salvation, but are totally incapable of saving themselves.
5. After the Fall, God, in His mercy and love, made provision for humans' redemption through the promise and giving of the Savior Jesus Christ, in whom to believe is justification and life.
6. Jesus Christ is the Son of God, sent by the Father, begotten by the Holy Spirit and born of the virgin Mary, fully divine and fully human. He lived a sinless and obedient life, suffered and died on the cross for the sins of humankind. God raised Him from the dead, exalted Him as Lord of all, and gave Him the promise of the Holy Spirit for His Church.
7. Humans are saved by grace through faith in Christ in response to the Gospel preached, or otherwise presented, in the power of the Holy Spirit, through whom sinners became children of God and heirs of eternal life. Jesus Christ is the only mediator between God and humans; through Him believers have access to the Father.
8. Believers are a new creation in Christ, and are called to walk in the Spirit, to die unto sin, and to live unto righteousness, and thereby manifest the fruit of the Spirit, conforming themselves to the image of Christ; good works are the fruit of the Christian life, and are not ways of justification.
9. God alone is the Lord of our conscience, and believers are free from the commands of human which are contrary to, or in addition to, the Scriptures in matters of faith and conduct.
10. All believers belong to Christ and are indwelt by the Holy Spirit; together they make up the Body of Christ, the Invisible Church that is holy, universal, and united. The Church submits to the Great Commission of world evangelization and the Great Commandment of loving one another.
11. All believers are a royal priesthood; laity and clergy are of equal partnership in Christian ministry.
12. In the last days, Christ will come again personally and visibly to the earth to judge the living and the dead. There will be a bodily resurrection of the dead: of believers through the Holy Spirit unto the inheritance of eternal life, and unbelievers unto condemnation; and a new heaven and new earth will be ushered in.

** Student Tuition Recovery Fund (STRF):

STRF fee is listed as varying amounts: fifty cents (\$0.50) per one thousand dollars (\$1,000) of institutional charges.

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a

California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd, Ste 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

LIBRARY

The library of GETS Theological Seminary (GETS Library) was built on its US campus in Covina, California in May 2018. It has approximately 4,400 square feet in total and houses a main collection hall, a reference and periodical room, a special collection room, a multimedia room, a group discussion room, and personal study areas.

Currently, the GETS Library has collected over 30,000 books and other materials in Christian and religious studies, theology, and other related subjects. As of November 2020, the library has cataloged and processed more than 25,500 items. Approximately half of them are in English and the rest are in Chinese. The students and faculty members in the LA area have had access to the cataloged materials, such as books, dissertations, bound journals, and audio-visual (AV) materials by checking them out in person or holding/requesting them via email, in-person, and also have had the access through Koha integrated library system since this Fall. The Koha OPAC provides online access to the GETS Library catalog through the library webpage and other related online library services, such holding, renewing, and recommendations.

In addition to book format, the GETS Library has about 60 Chinese and English theological and Christian journals, magazines, newsletters, and newspapers, and the like. Moreover, the Library provides 4 theological research databases including the *ATLA Religion Database with Serials*, *ATLAS Plus* (containing Chinese full-text articles), *Old Testament Abstract*, and *New Testament Abstract*. Those databases provide GETS faculty and students to access full-text journal articles, book chapters, reviews, or abstracts remotely and electronically for study and research. The Library website, currently under reconstruction, will provide more links for students to access the full-text articles of those e-journals, e-magazines, e-newsletters, and many other open-sourced e-resources in Christianity, religion, theology, and related subjects.

To support GETS's distance education, the Library will collaborate with the faculty to ensure the essential materials as well as the references are available in electronic format via the Populi platform or the library website. In order to provide more sufficient learning materials to the online students, GETS Library will continue to strengthen its e-collection through adding new open-sourced materials, subscribing to more e-journals, e-books, and acquiring various e-resources, such as comprehensive reference databases and theological and religious research databases in the future.

Partnership with Local Schools and Seminaries

GETS Theological Seminary has contracted with other theological libraries at various locations to provide mutual lending services. Our students may visit and access each library's collections according to the library schedule of each institution. Currently, GETS students have the privilege of access to and use of the library collection and/or online learning resources of the following schools free of charge:

- Central Taiwan Theological Seminary, Taiwan
- Logos Evangelical Seminary, USA
- China Evangelical Seminary North America, USA

Moreover, both Logos Theological Seminary and China Evangelical Seminary North America welcome GETS students to study and engage in research at their libraries.

STUDENT SERVICES

1. CHAPEL AND PRAYER TIME: Worship and prayer meetings are part of the GETS family daily schedule. The chapel times play an important role in molding Christian character and promoting unity among students, staff, and faculty. Student life at GETS is evaluated based on the student's participation in chapel services and small group prayer meetings. Local pastors, faculty, and visiting alumni are invited to speak at the chapel services. Students are given opportunities to lead worship, preach and sing in their mother tongues to share with others the diverse cultural aspects of Christian worship.
2. PERSONAL DEVELOPMENT PLAN (PDP): The Personal Development Plan (PDP) is a tool for developing a student's life in a number of areas so he/she can be an effective leader. A holistic approach to leadership development reflects the biblical understanding of sanctification whereby there is change and growth in every area of our lives enabling others to see the reality of Christ in a leader's life.
3. STUDENT ADVISING AND MENTORING SERVICES: Every graduate student is assigned a resident professor as a mentor at the beginning of the program. The mentor guides the student in developing his/her curriculum related to his/her concentration.
4. STUDENT GOVERNMENT: The student body elects a Student Body President and other positions every school year. The work of the Student Body President involves service to the student body in various capacities, including representation of the student opinion before the Faculty and Administration, organizing student activities, and coordinating students' involvement. Students are strongly encouraged to participate in student government, especially in the various student activities that are offered.
5. ACADEMIC SERVICES AND TUTORING: A free tutoring service is available to all students. If a student feels he/she needs additional help in understanding class material or instructions on homework, please email the Student Affairs Office at student-affairs@mygets.org to schedule an appointment with a tutor. Tutors for the MACS programs usually are students from advanced level programs, such as ThM and DMin.
